KK LIGHTING INDIA PVT. LTD.

Growth Story

We have an inspiring long journey. Our innovative solution and customized services have shown us the way to growth and prosperity. We command a formidable presence both in after markets and OEMs and have achieved a high level of client appreciation by understanding their requirements and exceeding their expectation.

What we are now is because of what we have been doing for past 4 decades.

1970: Commenced as a company manufacturing holder the name of **Gurucharan International** under the brand name **KK**

1975: The company diversified from manufacturing holder to lighting and sheet metal parts.

1985: Entered into the plastic moulded industry and Started dealing with commercial vehicles.

1995: Widened the horizon by venturing into private vehicles and becoming a reliable name among the after market customer.

1999: Established advance manufacturing unit and a corporate office in Narela with all the requisite infrastructure and technology.

2004: Commenced export to more than 10 countries.

2008: Started another firm **Lighto Plast Industry** with the brand name **Krisstal**.

2011: Expended business with manufacturing for OEMs like **Standard Tractor, Rasandik Industries India Ltd. Preet Tractor and Combine. Apollo Construction Pvt. Ltd., ACE Construction Ltd.**

2012: Started another company **Gurucharan Exports Pvt. Ltd.**

2014: Entered in automotive OEMs with AMW Globle Trucks.

2016: Stared hard coating in PC Lens.

2017: Established **KK LIGHTING INDIA PVT. LTD.** modern manufacturing unit in kundli (Sonipat) with all advance machines and equipments as per OEMs requirement.
