

Superior Replacement of  
Standard Auto Components

AN IATF 16949:2016 CERTIFIED COMPANY

20<sup>th</sup> JANUARY 2023

# Growth Story

We have an inspiring long journey. Our innovative solution and customized services have shown us the way to growth and prosperity. We command a formidable presence both in after markets and OEMs and have achieved a high level of client appreciation by understanding their requirements and exceeding their expectation.

What we are now is because of what we have been doing for the past 4 decades.

1970: commenced as a company manufacturing holder the name of Gurucharan International under the brand name KK.

1975: The company diversified from manufacturing holder to lighting and sheet metal parts.

1985: Entered into the plastic moulded industry and started dealing with commercial vehicles.

1995: Widened the horizon by venturing into private vehicles and becoming a reliable name among the after market customer.

1999: Established advance manufacturing unit and a corporate office in Narela with all the requisite infrastructure and technology.

2004: Commenced export to more than 10 countries.

2008: Started another firm Lighto Plast Industry with the brand name Kristal.

2011: Expanded business with manufacturing for OEMs like Standard Tractor, Rasandik Industries India Ltd. Preet Tractor and combine. Apollo Construction Pvt. Ltd., ACE Construction Ltd.

2012: Started another company Gurucharan Exports Pvt. Ltd.

2014: Entered in automotive OEMs with AMW Global Truck.

2016: Started hard coating in PC Lens.

2017: Established KK LIGHTING INDIA PVT. LTD. modern manufacturing unit in Kundali (Sonipat) with all advance machines and equipments as per OEMs requirement.

KK Lighting India Pvt. Ltd. was established in 1970 and has been designing and manufacturing vehicle lighting. With 49 years of experience KK Lighting India Pvt. Ltd. developed and utilized its extensive lighting expertise and advance designs to bring our customer a wide range of high quality products.

A manufacturing company of automotive head lamp, rear combination lamp, front combination lamp, indicator, reflex reflector, Work lamp, LED rear combination lamp & indicator, LED work lamp, Projector Lamp & Plastic Moulded components etc.

## Quality

Quality is our top priority and we incorporated quality planning, monitoring and inspections into every phase, both product development and throughout the production process. Our employees are also highly experienced, knowledgeable and quality conscious, and they undergo extensive professional training on a regular basis to ensure that they maintain their expertise in the lighting field.

Our quality management system is set in alignment with definitions set out in the ISO 9001:2015 standards and customized to meet additional customer specific requirements. We have successfully passed quality audits by well-known international corporations and proven our superior quality as compared to our competitors.

- Ability to develop innovative products
- Service superiority
- Quality of work force
- Quality of strategic decision making
- Research & development
- Design, Development, protect management and manufacturing expertise

## Infrastructure

- Assembly Line
- Injection Moulding Machine
- BMC Moulding Machine
- Vacuum Metalizing Plant
- Integrated Hard Coating Plant
- Tool Room
- Testing Lab

# WE ARE THE LEADING MANUFACTURERS OF AUTOMOTIVE LAMPS & SIGNALING LAMPS

## OUR VALUABLE CUSTOMERS

## OUR CERTIFICATION & TESTING AGENCY
